

Project title:	A study of contingent liabilities in Tanzania
Position:	Senior Expert in PFM
Location:	Tanzania
Eligible nationalities:	All nationalities
Start of project:	07/04/2014
Assignment duration:	65 wd
Deadline:	10/03/2014
Objective	<p>Overall objective</p> <p>The purpose of the study is to establish the magnitude and potential of contingent liabilities becoming actual liabilities for the Government of Tanzania (GoT) and the associated fiscal risks. The study will propose a set of short and medium term actions for discussion and implementation by Government. The study is also to assess the GoT's current approaches in managing contingent liabilities. It will determine sound risk management frameworks and detailed recommendations for improvements. The study shall cover all government guaranteed loans to public and statutory corporations and LGAs. This shall also include SME credit guarantee schemes, export credit guarantees and financial obligations of PA&OBs that are majority owned by GoT (GoT owns 51% or more of the shares).</p>
